Kate,

They're looking for someone from EPA to participate. ORD is tied up and OITA recommended I forward to R8.

Subject: PRELIMINARY MEETING ANNOUNCEMENT -- ENVIRONMENTAL IMPACTS OF SHALE GAS DEVELOPMENT

Please find attached the formal invitation to the Calgary meeting that we hope that you can attend and contribute to.

As befits a Focus Meeting, we wish to discuss particular aspects of the shale gas development issue, namely the predictable and the unpredictable subsurface impacts.

Thanks Angela. ORD is sponsoring our national technical workshops on case studies and on well construction/subsurface modeling 4/17-18, so our relevant folks are already tied up.

Jeanne,

He left me a voicemail message too. They are looking for a speaker. Maybe this is an event ORD would be interested in?
